EXPERIENCE

Frontend Developer & Web Development Coach neufische GmbH

June 2020 - September 2022, Hamburg

- Creating the UI of internal projects like a talent app with React and basic TypeScript, allowing students to connect to partner companies and represent themselves
- Teaching React concepts for professional UI development, including testing, state management, CSS in JS and version control with Git/GitHub to bootcamp students
- Actively improving and developing the course curriculum
- Mentoring students throughout the bootcamp; performing weekly 1on1s with students, code reviews on GitHub and creating assignments
- Mentoring Junior Coaches through 1on1s, session reviews and feedback

Working Student Web Development

neufische GmbH

Dec 2019 - June 2020, Hamburg

- Coach assistant in the web development bootcamps

EDUCATION

Trainee Web Development

neufische GmbH

June 2019 - Aug 2019, Hamburg

- Full-time coding bootcamp, 540 hours coding experience
- Modern web technologies, pair programming, clean code

Geography

University of Hamburg

Oct 2017 - June 2020, Hamburg

- The studies were interesting, but I discovered my passion in coding

PASSIONS

Climbing, Yoga, Running and Coding

New technologies, curious about Web Accessibility
